SEAT SHADE FOR PERSONAL WATERCRAFT KEEP SEATS COOL AND FREE FROM BIRD DROPPINGS

Overview:

Don't let scorching seats or messy bird droppings ruin your day on the water. The DEI Seat Shade™ is the quick and easy solution for keeping your personal watercraft seat cool, clean, and ready to ride. Simply slip it on while docked and enjoy added protection from the sun's damaging UV rays, dirt, debris, and unwanted messes. Designed for convenience, the Seat Shade installs and removes in seconds, then folds compactly into the included storage bag for easy stowage. Constructed from durable UV-coated stretch polyfiber material, it resists fading and stands up to harsh marine environments.

KEY FEATURES

Get On and Go:

Seat Shade blocks the hot sun from seats keeping them cool. Letting you just get on your ride and go

Installs in Seconds:

Easy to install, Seat Shade hooks onto handle bars, side rail and rear tow hook. Extra straps and hooks provide flexible fitment across nearly any PWC configuration for maximum Seat Shade coverage

Durable Material:

UV-resistant stretch twill fabric with a heat-reflective aluminum coating that blocks sun, sheds rain, and keeps its shape season after season.

Keeps Bird Droppings Off Seats:

Protects seats against water fowl and seagul droppings.

Space Saving Design:

Folds small in to included storage bag and stows away in any compartment

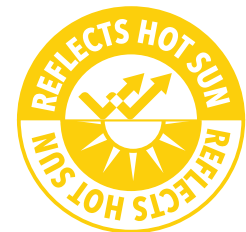

WHY CUSTOMERS NEED THIS PRODUCT

- Keep seat cool, so you can just get on your PWC and go. No waiting for seats to cool down
- Protects seats from damaging sun & bird droppings
- On/Off in seconds and stores easily in any compartment
