

SOUND DEADENING HEADLINER

Jeep® Wrangler Sound Deadening / Insulating Headliner

Riding in a Jeep is great fun except for the truck's propensity for interior noise that makes it difficult to hear conversations or enjoy your sound system. Now there is an easy solution. Boom Mat's new Jeep Wrangler Sound Deadening Headliner (available in two finishes) is a custom cut, peel and stick kit that dresses up the interior of Jeep hard tops while minimizing annoying outside noise. Constructed of high quality marine grade acoustical foam that resists mold and mildew while insulating from outside heat/cold and sound with an R4 value.

Reduces noise levels 3 - 4 decibels!

Reduces radiant heat from roof

Improves interior acoustics

CNC Machined for a perfect fit

- Headliner reduces noise levels 3 to 4 decibels.
- A significant change in noise level that will make it easier to have conversations, enjoy your favorite music and insulating properties makes controlling interior heat and cold levels much easier.

Original Texture Finish

Sound Deadening / Insulation Jeep Wrangler Side Window Kits

Complete headliner installations with our Jeep Wrangler Side Window Trim kit. A great finishing touch for the interior of any Wrangler!

- The finishing touch that compliments your Jeep Sound-Deadening Headliner Kit
