Frequently Asked Questions

DEI Boom Mat Spray-On™

Am I able to use this in the interior or exterior of the vehicle?

You are able to use the Boom Mat Spray-On in the interior and exterior. It is perfect for wheel wells and in hard to get places. Boom Mat Spray-On will contour to the curves of the surface it is applied to, as well.

How long does it take to dry?

It dries to the touch in 20 minutes and paintable in 6 hours.

Am I able to apply multiple layers?

You can apply multiple layers after the previous layers have dried to increase sound dampening results.

Approximately how many square feet will a can cover?

20 square feet is the approximant size which one 18 ounce can will cover.

Is it possible to spray over rust?

Boom Mat Spray-On prevents rust and oxidation by creating a barrier between the metal and moisture. It is okay to spray over rusted areas.
